Testes unitários

The screenshot shows a web browser window with a single tab titled 'Karma'. The address bar displays 'localhost:9876/?id=54103758'. A notification bar at the top states 'O Chrome está sendo controlado por um software de teste automatizado.' Below this, a green banner reads 'Karma v 6.4.2 - connected; test: complete;' with a 'DEBUG' button on the right. Underneath, it says 'Chrome 122.0.0.0 (Mac OS 10.15.7) is idle'. The Jasmine logo and version '4.6.0' are shown, along with an 'Options' button. A dark green bar indicates '5 specs, 0 failures, randomized with seed 15278' and 'finished in 0.055s'. The bottom section lists the test results for five components, each with a 'should create' spec.
